MLD-700	Height Adjustable Mobile Laptop Desk, white

Features & Benefits

- Tilting tabletop supports ergonomic use for laptop work, writing and other desktop tasks.
- Pneumatic gas-lift adjustment with foot pedal allows smooth, power-free height changes.
- Height range of 780–1110 mm supports seated and standing use.
- Compact 700 x 520 mm tabletop suits classrooms, offices and flexible workspaces.
- Durable powder-coated steel frame provides stability for regular use.
- 40 mm lockable castors support mobility and secure positioning.
- Tested to more than 10,000 adjustment cycles for durability.
- White finish provides a clean, contemporary appearance.

Sales Summary

Mobile height-adjustable desk with tilting tabletop, pneumatic foot-pedal lift and lockable castors, designed for flexible education, office and shared workspace applications.
