ELEVAR ANTI-GRAVITY CADDY (AG)
technical specifications

ELEVAR ANTI-GRAVITY (AG)
Caddy

Meet the Elevar Anti-Gravity Caddy, the modern twist to your traditional file cabinet. Crafted for the hustle and bustle of today's work environment, this personal locker moves in sync with your adjustable work station. Everything you need is within arm's reach, and when you step away, everything is tucked away securely in the lockable drawer.

Hang your backpack or briefcase on the handy coat hook, keeping your floor clutter-free. Plus, with the 60mm punch-out for optional wireless, USB-A or USB-C fast charger from CMS or Elsafe, your devices stay powered up and ready to go.

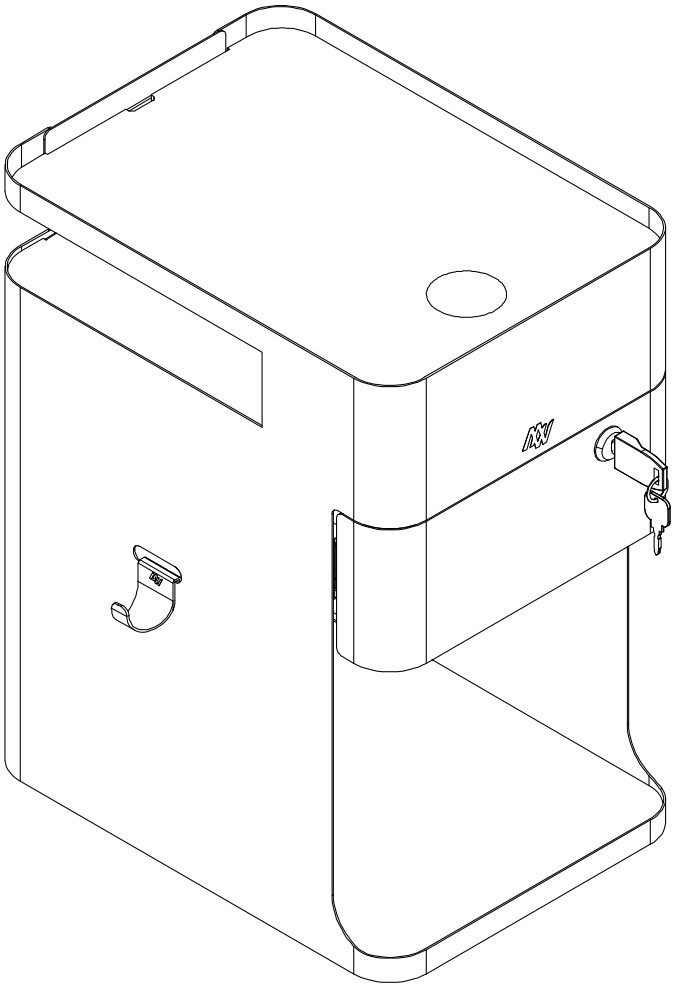

Dimensions	256mm W x 350mm D x 445mm H
	Lockable drawer - 322mm W x 212mm D x 91mm H
	Shelf above desk - 346mm W x 252mm D
	Under desk shelf - 346mm W x 252mm D x 230mm H
