Folding Table

Designed with telescopic beams and varying foot profiles it allows for ease of adjustment, customisation and fast installation whilst maintaining a contemporary look.

To ensure ultimate flexibility we use a latch release system that enables a range of table overhang that can be changed at time of installation. The foot remains at an 180° angle so that the tables nestle together tightly to minimise storage space.

PRODUCT TYPE	Fixed Height Folding - 2 Leg Frame
FOOT TYPE	Narrow and wide foot profile Fixed 180° angle with heavy duty castors
TOP SIZE	Narrow 750mm - 2100mm L x 600mm - 800mm D Wide 750mm - 2100mm L x 850mm - 1000mm D
