ergotron®

moving you forward

HX
Wall Monitor Arm

- Allows you to work comfortably and helps reduce eye, back and neck strain
- Adjust displays with a light touch, thanks to Constant Force™ technology
- Frees up space in tight areas by folding arm when not in use
- Passes Ergotron's 10,000-cycle motion test for years of trouble-free height adjustment
- 10-year warranty

ALUMINUM HX WALL MONITOR ARM

SLEEK NEW POST DESIGN

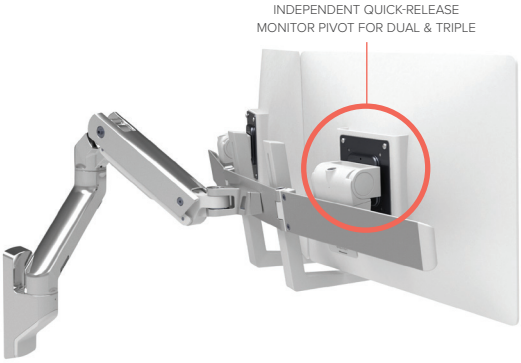

Add flexibility and superior ergonomics to your monitor(s) with the HX Wall Monitor Arm. The dual/triple hinge bow attaches directly to the arm to support two 32″ or three 24″ monitors and includes a handle for easy positioning. Your monitor stays within your workspace with a rotation stop that limits the range to 180°.
