Work your way, anywhere

Hotbox 4 Mini our small but mighty desk caddy designed to turn into a small device stand at any chosen workspace.

Perfect for the hotdeskers out there. Doubling as a device stand, it enables ease of movement between office zones and the ability to create a personalised workspace, anywhere.

With room for all work essentials, this versatile desk caddy allows people to stay productive and prepared wherever they work.

Oh, and it's also made entirely from post-consumer recycled plastic.
