Work your way, anywhere

Hotbox 4 is a portable desk caddy designed to turn into a laptop stand at any chosen workspace.

Perfect for the hotdeskers out there. Doubling as a laptop riser, it enables ease of movement between office zones and the ability to create a personalised workspace, anywhere.

This transformative caddy has room for all work essentials – so your team or clients can stay productive and prepared wherever work takes them.

Oh, and it’s also made entirely from post-consumer recycled plastic.

Features

- Large compartment for laptop, keyboard, files, tech and stationery
- Two moveable dividers for reconfiguring the large compartment
- One pen pot for pens or other stationery items
- Soft grip handle for your comfort and support
