Accra Bases

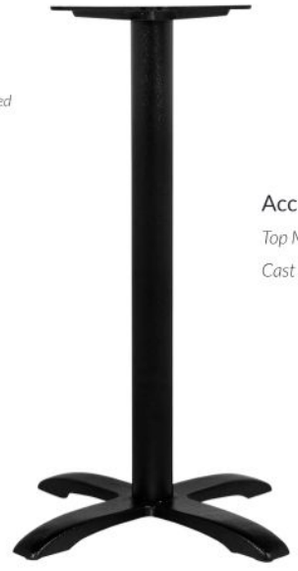

The Accra Table Base Range is a The Accra Table Base Range is a staple of heavy-duty reliability, specifically engineered for high-traffic commercial environments that demand unwavering stability. Crafted from premium cast iron and finished in a resilient sandblasted black powder coat, the Accra series is designed to withstand the rigours of both indoor and outdoor settings. The range features a versatile four-point "star" base for standard dining tables and a robust twin-pedestal configuration for larger surfaces, providing a grounded, architectural foundation that effectively supports heavy tops. With its timeless industrial profile and a heavy duty build, the Accra range offers a dependable, low-maintenance solution for venues that require long-term structural integrity and a classic, professional aesthetic.
