Ibiza

The Ibiza Table Frame Range is a premier choice for high-traffic environments, engineered for maximum stability and long-term durability. Constructed from high-quality mild steel with a galvanised finish, these architectural frames are specifically designed to withstand busy hospitality settings both indoor or outdoor, while maintaining a sleek, modern profile. Available in both 1200mm and 1800mm lengths at a 1050mm bar height, the range features a refined Matt Black finish that pairs seamlessly with a variety of table tops. Whether used for outdoor dining or structured indoor bar areas, the Ibiza range provides a professional foundation that excels in both function and style.
