Coffee Tables

Our Coffee Table Base Range offers a versatile and durable foundation for any commercial lounge or breakout space, blending precision with heavy-duty performance. From the minimalist profile of the Disc and Arc series to the bold, aesthetic of the Iris and Chunk bases, each piece is engineered to support substantial top loads while maintaining a refined visual presence. This collection allows for complete design customization. Whether you are seeking a sleek steel frame for a contemporary cafe or the grounded warmth of solid rubberwood, our coffee table bases provide the structural integrity and stylistic flexibility required for high-traffic hospitality and corporate environments.
