

Every office deserves a Chatbox

For deep work, private calls or a creative session.

Increase your productivity by 25%

Soundproof

Keep your conversations private while keeping background noise out.

Made by Silen

Made by the team behind Silen Space, the Chatbox is a simplified version of our most popular phone booth, leaving only the essential purpose in its simplest functional form.

Ventilation

Chatbox uses a technology that keeps the booths ventilated, ensuring fresh air throughout your time spent inside.

Quick assembly

It takes about 30 minutes for two people to assemble – and you only need one tool.

Simple assembly, simple choices

Dark beauty

Black offers a striking visual accent and attracts attention.

Left- AND right-handed door in one

You can change the door handedness at any time.

Bright oasis

White is an elegant and unobtrusive choice for light-toned rooms.

Accessories? Check.

Whiteboard and screen brackets with cable management are available with Chatbox.

Your new normality

Single

A space to focus on your own or make uninterrupted phone calls.

A silent space for creativity to flourish

Affordable, yet sleek

Direct from our factory to you, Chatbox is shipped flat-packed, making it more affordable than other phone booths.

2 people + 30 min

No installer needed to set up Chatbox. Just call your friend for a little half-hour meeting. Done!

Durable means sustainable

Well thought-out form, construction, and choice of material allows for extended durability. In addition, easy assembly and disassembly allow you to take it to your next office space.

Single Tech specs
