

# PABLO

The unique cooperation between interior designer Katherine Norman and industrial designer Caroline Quaine has flourished in many ways. Besides tailoring furniture for individual homes and offices, they also design classics that reflect mid-twentieth century style. PABLO provides a simple yet functional aesthetic that is both practical in both commercial and domestic environments. The chair is made from a lightweight fiberglass shell with graceful curves that form a generous seat width.

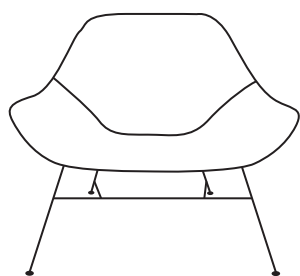

Design by NORMAN & QUAINÉ

**Dimension:** Pablo Chair

- W855 x D660 x H690, SH400mm
