Acting sustainably is what we do. With our beginnings in Australia, since 1984 we have been designing and manufacturing commercial furniture products and components for global work place environments. With sustainability at the core of everything we do, we are dedicated to the reduction of environmental impact from our products and actions.

CASINO

CASINO is a mobile storage solution ideally suited to flexible workplace environments. With mobile castors, a handle and a lock, **CASINO** can go wherever you need it to go in your workplace setting. **CASINO** can be used as a storage pedestal for a workpoint or can be parked in a docking bay and wheeled to a desk of choice for the flexible worker.

CASINO is an award winning product and has been awarded a 'Good Design Mark' at the Australian International Design Awards.

The **CASINO** mobile storage solution is available in 2 and 3 drawer versions with standard powdercoat finishes of silver and white frames. The frosted white side panels can accommodate graphics, signage and branding and can be changed whenever required. Both the pedestal and caddy have a cushioned top that provides an optional seat for flexible meetings and impromptu gatherings. The mobile caddy also features lockable tambour door access.

FEATURES

- ▶ Optional interchangeable graphic side panels with unlimited scope for customised graphics
- ▶ Lockable polyurethane soft-tread castors
- ▶ Lockable soft-close drawers
- ▶ Durable seat cushion made from environmentally friendly PEPP (porous expanded polypropylene)
- ▶ Powdercoated drawer fronts are constructed of EO grade MDF board
