FURNITURE FOR THE CURIOUS

DIVA™

DIVA™

Eye-catching aesthetics are only part of Diva's story. Smart 'powered legs' seamlessly run wires up from the floor, while a hidden under-carriage conceals power leads.

As for those 'high heels'? They house power sockets - and ensure the striking Diva lives up to its name.

Exceptionally stylish; reassuringly practical. Discover Diva... and her many hidden surprises.

DIVA™

With Diva, there's always more than meets the eye. Go beyond the striking wooden exterior and discover a host of ingenious design elements, each cleverly concealed within the solid timber build and die cast aluminium features.

Commanding attention yet yielding to workplace practicalities, Diva blends style and substance with ease.
